Bring the whole family to see this four-time Tony Award-winning musical comedy!

It's about a young girl named Matilda Wormwood, who has an incredible intellect and magic powers, including the ability to levitate objects. She is a lover of books and can read stories meant for adults. Her clear intelligence goes unnoticed by her uncaring family, who often treat her badly.

This 'JR.' version of the classic **Roald Dahl** musical has a very clever Tony-nominated score by **Tim Minchin** and features such great songs as "Naughty", "When I Grow Up", "The Smell of Rebellion", and "Revolting Children". It will be performed by a 27-member cast of eighth-, seventh-, sixth-, fifth-, and fourth graders, with a seven-member student Stage Crew. This musical is adapted for pre-high school student performers and is appropriate for audience members of all ages. It is directed by **MTC** Producing Artistic Director and OLG C Parishioner **Mark Morgan**, choreographed by former OLG C Fifth Grade Teacher (and former OLG C Drama Club Member!) **Harper Casey**, and vocal directed and costume designed by **MTC** Managing Director **Carol Ann Murray**. Reserved-seat tickets are \$13 and can be ordered on the **MTC** Website ([www.MoorestownTheaterCompany.org](http://www.MoorestownTheaterCompany.org)), or at the door (beginning one hour before curtain time on show nights).

So please come show your support for our very talented middle school performers! For more information, visit **MoorestownTheaterCompany.org**, or call **856 / 778-8357**.
